Park Derochie purchases Northern Sandblasting & Thermo Plus Coatings in Saskatoon, Saskatchewan

FOR IMMEDIATE RELEASE

Saskatoon, Saskatchewan – April 1, 2010 — **Park Derochie Coatings (Saskatchewan) Inc.** is pleased to announce the purchase of Northern Sandblasting Industries Ltd. and Thermo Plus Coatings Ltd.

Park Derochie has been in business since 1956, specializing in all types of coatings, blasting, fireproofing, mechanical insulation and scaffolding with sales in excess of \$90 million in 2008. With the present opportunities within the Province of Saskatchewan, we are excited to be able to offer our existing clients, as well as new clients, easier access to **Park Derochie's** services.

Jeff Granberg, Park Derochie President commented: "Park Derochie is proud to be 100% Canadian owned and an abundance of our employees (from workers to management & owners) are originally from Saskatchewan. Purchasing the assets, existing shop facility and equipment of these two well established companies allows us to come home. The former owners of Northern Sandblasting and Thermo Plus have 30 years experience in the industry and will be staying on with us to contribute to the expansion. Add their 30 years to Park Derochie's 54 years and you have a vast expanse of expertise to draw from. We are confident that as industry in Saskatchewan grows we will be well poised to offer employment as well as the same outstanding workmanship, quality and safety standards that have enabled us to maintain an excellent reputation for client satisfaction throughout the years."

Park Derochie provides a wealth of experience by providing shop, module yard and field services in abrasive & water blasting, industrial & commercial painting, tank linings, pipe coating, metalizing, lead & asbestos abatement, poly urea & polyurethane, corrosion under insulation (CUI), secondary containment, (cementitious, intumescent & concrete) fireproofing, process pipe & equipment insulation, urethane foam insulation and scaffolding as well as maintenance services, NACE Inspection & Consulting.
