

MISSION STATEMENT

It is the policy of Park Derochie Coatings Ltd. to provide quality service to our customers in a safe and cost effective manner. The management of Park Derochie Coatings Ltd. fully supports all the company's quality assurance programs and requires that implementation of these programs is carried out by all personnel involved in coating operations.

Realizing that company performance is only as good as our operators, the company is committed to providing training and direction needed to ensure quality conformance and meet or exceed environmental standards.

A safe and healthy workforce is essential to successful business and we have established a comprehensive safety policy that is rigorously enforced on all job sites.

Safety is Everyone's Responsibility.
